

MBOSS Theft Deterrent System

Franchise and Independent Dealers

Insured by an "A" rated insurance carrier.

Eligibility

Vehicle Protection Expenses combined with vehicle theft benefits with the best ID Theft Recovery Membership available in the marketplace.

Millions of vehicles are broken into each year. Etching vehicles with a traceable number has been performed in the auto industry for over 30 years. Identity Theft affects 1 in 10 Americans. Offering M-Boss gives you a product that is both proven and relevant. Adding ID Theft to your Etch offering provides true value to your customers and separates you from your competition.

Description

If your vehicle is stolen within the contract term and not recovered in 30 days, we will issue you a check in the amount selected on the contract (\$2500 or \$5000 benefit); to include the insurance deductible, and vehicle rental sales tax/registration.

Dealer Replacement

Down Payment on Replacement Vehicle. In addition to the Vehicle Production Expenses benefit we will issue a check to purchase your next vehicle from the original selling dealer in the amount described in your plan (\$1000 or \$2000 benefit)

Partial Loss (If Vehicle is Recovered)

If your vehicle was stolen and then recovered within 30 days we will issue you a check for repairs related to the theft up to \$1000-Lesser of Insurance Deductible or Theft Related Repair Costs.

Additional Benefits

- Travel Allowance up to \$1000 (Trip Interruption benefits are not available to residents in CA & WI)
- Airfare Allowance up to \$1000
- Rental Car Allowance up to \$500
- Long Distance Telephone Allowance up to \$100
